

Exhibit C—Status as a Small or Very Small Business Applicant: Applicants claiming status as a small or very small business must attach an exhibit regarding this status.

* Small or very small business applicants must state the average gross revenues for the preceding three years for the applicant (including affiliates), as prescribed by 47 CFR Section 95.816(d)(4). Certification that the average gross revenues for the preceding three years do not exceed the required limit is not sufficient.

Exhibit D—Information Requested of Designated Entities: Applicants owned by minorities or women as defined in 47 CFR Section 1.2110(b), or who are rural telephone companies, may attach an exhibit regarding this status. This information, in conjunction with the information in Item 10, will assist the Commission in monitoring the participation of designated entities in its auctions.

Exhibit E—Miscellaneous Information: Applicants wishing to submit additional information should include it in Exhibit E.

Applicants are reminded that all information required in connection with applications to participate in spectrum auctions is necessary to determine the applicants' qualifications, and as such will be available for public inspection. Required proprietary information may be redacted, or confidentiality may be requested, following the procedures set out in 47 CFR Section 0.459. Any such requests must be submitted manually, even if the applicant chooses to file electronically, in which case the applicant must indicate in Exhibit E that it has filed a confidentiality request. Because the required information bears on applicants' qualifications, the FCC envisions that confidentiality requests will not be routinely granted.

Waivers: Applicants requesting waiver of any rules must submit a statement of reasons sufficient to justify the waiver sought.

Cross-References: To ensure that the FCC considers all information submitted, manual filers must list the number of Forms 175-S and the number of supplemental exhibits at the end of Item 11 on FCC Form 175.
